and Final Brief of Respondents combine the transcript from the Court reporter already can prove the Honorable Diane S. Goodstein had made a mistake to my case.

On March 11, 2016, the Honorable Richard Mark Gergel had made the order to dismisses my case, because I was tried in state Court before. The United States District Court Judge is very good for the rules then ignore the state's Judge had made a mistake.

It is my understanding that no any argument to my breach of contract cause of Action. Because I paid the additional rent in full which landlord expended to modify the roof of the Premises to accommodate my equipment which was installed on the roof of the Premises. So, I rent the modification for my equipment. It is in the contract. It is my right. Landlord does not had any right to used the modification for community. And landlord was supposed to provide parking space by North Charleston city code follow the contract. Landlord did not give me parking space like the lease requires but treats other tenants differently. I had

to file a lawsuit before the landlord listened to me.

It is my understanding that the United States guarantee right to fair trial. The law does not distort the facts. The court has its system. Everyone case come to the court, it is the court's responsibility and duty, the court is suppose to take care the case, to find out the truth and fact, and make the right decision. But, because I am a chinese, And not speak the English very well. Because I didn't had qualified interpreter for my case, because I didn't had attorney for my case. Then the Honorable Diane S. Goodstein ignore my case, and the Honorable Diane S. Goodstein had distort the facts. So, The Honorable Diane S. Goodstein should be required to compensate for all of the damage caused by her mistake.

English is my second language. I need a chinese interpreter. It is very important to me.
